EDUCATION AND CONTENT

When you join the IES, you obtain access to a wealth of educational resources, publications, content and standards to advance your professional knowledge.

LOOKING FOR THE NEWEST LIGHTING TRENDS AND INSIGHTS?

Enhance your knowledge of illumination and get the latest industry intelligence with our award-winning magazine, LD+A.

INTERESTED IN BEST PRACTICES AND LEARNING ABOUT NEW TOPICS?

Keep your lighting knowledge fresh with educational opportunities ranging from webinars to multi-module courses covering a large breadth of topics, plus earn CEUs when you attend!

WANT ACCESS TO CUTTING-EDGE RESEARCH?

Learn from some of the top minds in the industry with LEUKOS, our quarterly research journal, the Forum for Illumination Research, Engineering, and Science (FIRES), and the organizations the IES collaborates with to deliver even more research and information.

NEED TO OBTAIN THE MOST CURRENT LIGHTING GUIDELINES AND STANDARDS?

Become a more well-rounded lighting professional and find everything you need with the IES Lighting Library of standards and guidelines. With five different collections - Lighting Applications, Lighting Measurements and Testing, Lighting Practice, Lighting Science, and Roadway and Parking Facility Lighting - you'll have the tools you need to take your projects to the next level.

“

What separates the IES from other lighting societies is the breadth of professionals that make up its membership. The IES will give you access to a network of like-minded people that can help you learn and grow, both professionally and personally.

NETWORKING AND LEADERSHIP

As a member of the IES, you'll become part of a global, peer-based community and gain opportunities to enrich your leadership skills as you engage with the Society. There are so many ways to get involved.

ENGAGE WITH YOUR SECTION

Connect with your local network, exchange ideas, develop programs and build lifelong friendships by participating with one of our 80+ IES Sections.

VOLUNTEER

Whether a short-term or long-term commitment, volunteering with the IES will support your professional development and provide valuable leadership experience.

JOIN A COMMITTEE

Share your expertise, represent the industry, and enhance your interpersonal skills by serving on one of our technical committees or Society support committees.

ATTEND EVENTS

IES events provide multiple opportunities to network and socialize, at both the Section and Society level, virtually and in-person. Discover new practices, research and technology, and recognize the best and brightest in the industry.

SUPPORT EMERGING PROFESSIONALS

Give back to the lighting community by supporting the next generation of lighting professionals. Find your next employee, share your knowledge, and make an impact on the future of lighting.

“

The IES has connected me with a community of individuals with varied backgrounds, skills, professional experiences, and goals, ultimately deepening my view of lighting and providing me with a pathway to contribute to society.
